

Municipal Alternative Vehicle Program (MAP) [2024]

The Municipal Alternative Vehicle Program (MAP) provides municipal and electric cooperatives with 36-month, 0% interest financing for the purchase of alternative drive, hybrid, or electric vehicles in addition to battery charging equipment.

Eligible Hybrid and Electric Drive purchases include:

- Bucket Trucks
- Digger Derricks
- Work Trucks
- Metering Vehicles
- Battery Charging Equipment
- Alternative Vehicles for Municipal Use
